

Court Use & Mix-Ins

Priority Playing Times for 2019

Members may play whenever they want, apart from **PRIORITY PLAYING TIMES** (shown above)

MATCHES & TOURNAMENTS ALWAYS HAVE PRIORITY

However, WHENEVER a court is available, ANY MEMBER is free to play unless / until one of the priorities below need it.

If all 3 courts are in use then please, *politely*, ask the players who have been on the longest to finish their set and give the court to the waiting players.

Many Thanks, Pammy (chairman)
